

## **Centreville Academy, Inc.**

Mr. Jason Horne – Headmaster  
Mrs. Mandy Kirkland – Guidance Counselor

March 16, 2020

Dear Parents and Students,

Centreville Academy administration is continually monitoring local, state, and federal agency information concerning COVID-19. Centreville Academy has followed the recommendations from Governor Tate Reeves and the Mid-South Association of Independents Schools by extending spring break through March 20, 2020.

As indicated in previous emails and texts, all MAIS activities have been suspended. This suspension applies to all athletics and extra-curricular activities in which students participate. MAIS schools have been directed to plan to implement distance learning instructional practices for as long as extended closures are necessary.

Today, CA Faculty and Staff met to implement a distance learning plan for our students for Wednesday, March 18, 2020, through Friday, March 20, 2020. Teachers will work today and tomorrow preparing “packets” for parents/students to pick up along with any books needed Wednesday, March 18, 2020, according to the following schedule:

Grades K3-6 Pick-up 8:00-10:00

Grades 7-12 Pick-up 10:00-12:00

Should you have students in elementary and high school, we ask that you please pick-up packets closer to the 7-12 pick-up times.

These packets will also be emailed in a PDF format from the teachers prior to Wednesday morning. Instructions will also be listed on the FACTS page for each subject under Syllabus. Please contact teachers via email with any questions you may have concerning a particular subject.

We will continue to monitor information about COVID-19 and make plans on a weekly basis for school as necessary. All plans will be communicated through school email and text messaging.

Please continue praying for our country, leaders, medical staff, and those affected by the virus. We also ask that you be in prayer for faculty and staff as we make adjustments to lesson plans in order to provide a quality education to our students.

Sincerely,

Jason Horne  
Headmaster
